- ☒ Glue/Sticky Tape
- ☒ PDF Printout

Calavera Skulls

Dia de los Muertos, or the day of the dead, is a festival celebrated in Mexico. In November, families will celebrate by remembering their relatives who have passed away.

CRAFT

Firstly, print out the skull template attached and gather all your tools.

Next colour in your template. Be creative!

Now cut out your skull, along with the eyes.

On the back, glue or tape the lollypop stick to the bottom of the skull and now you have finished your mask!
